- and, FIG Networks

Global to Local to Global.....

2. Context: Agenda setting

2. Context: Transforming Our World

The Future We Want

The 2030 Agenda: It is all about People!

FIG Vision & Agenda 2023- 2026:

- The need for a sustainable profession that
 - delivers sustainable services to clients
 - addresses the 2030 agenda,
 - including acting now to address the Climate agenda

**Tackling the Global (to local) Challenges.....
Now and beyond 2030**

Global to Local to Global.....

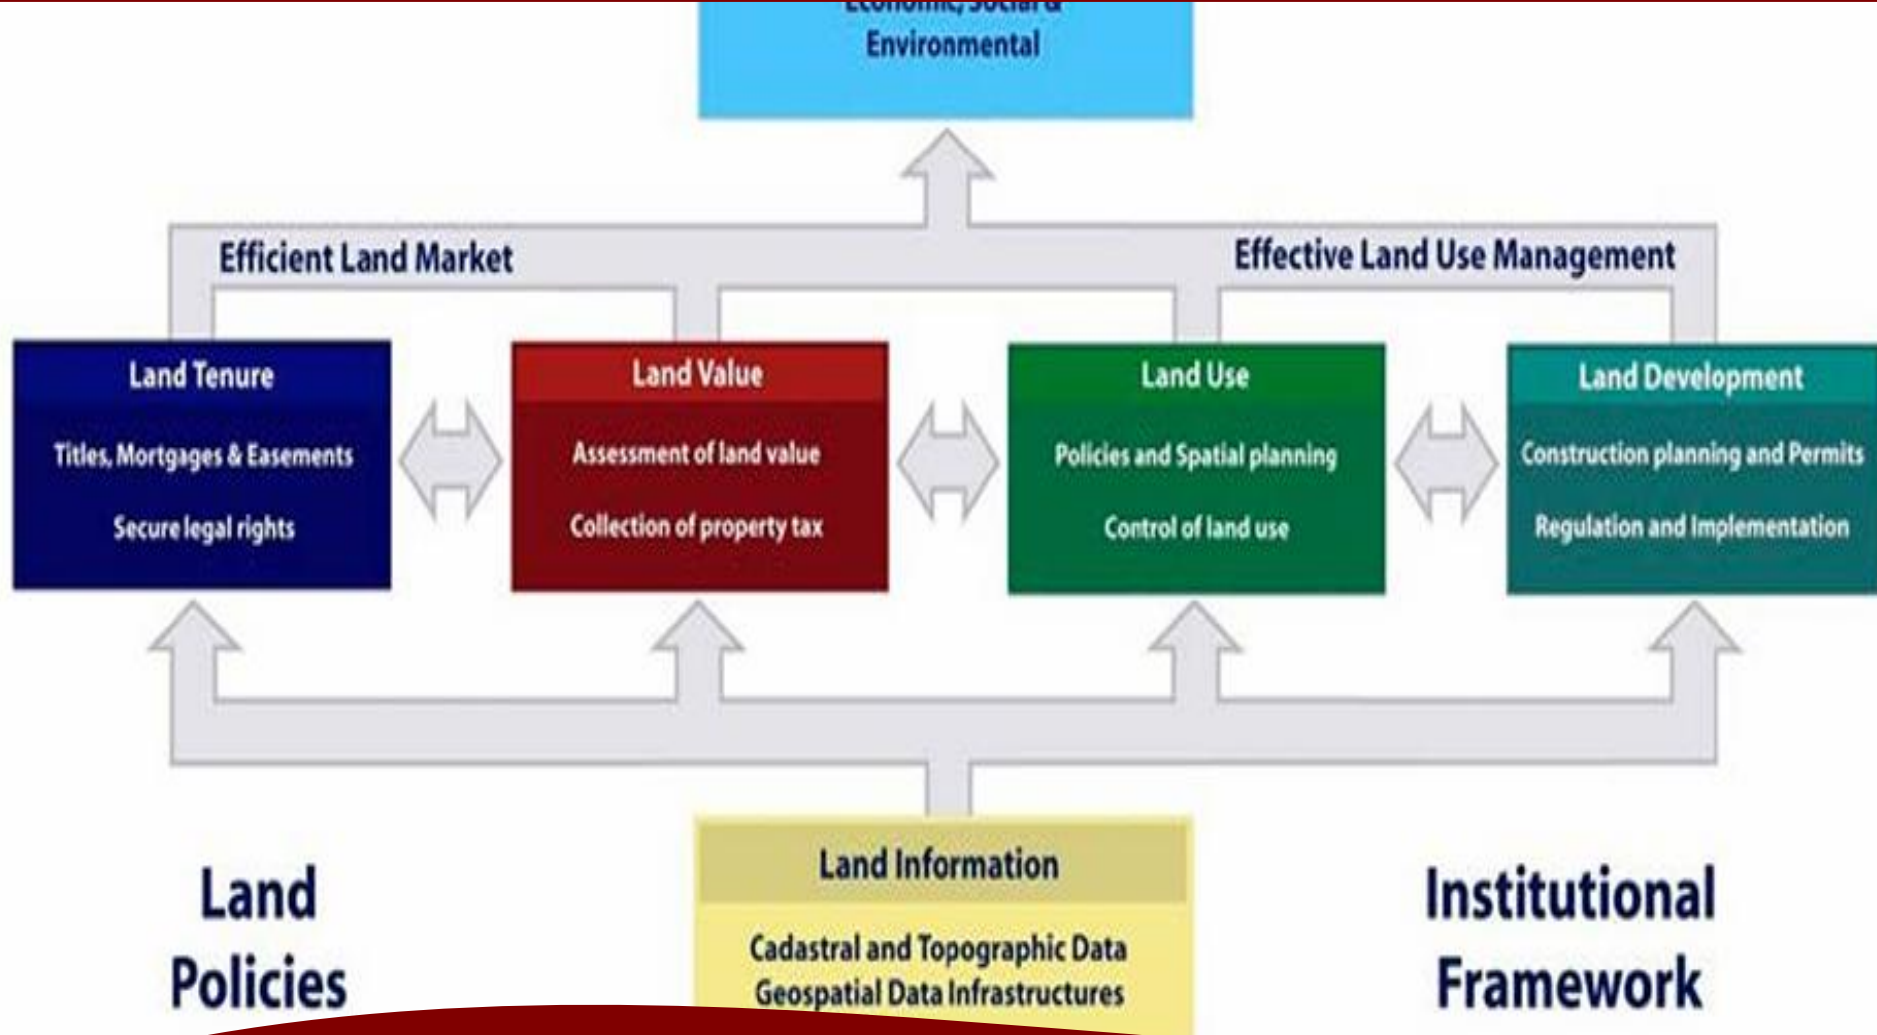

3. Connectivity: To Build a Future Together

Italy at the Start (1878) to Present day....

--	--	--

FIG Rome, 2012- President Fausto Savoldi, Congress Dir Enrico Rispoli,
Conference organiser Maria Scroza,

Build Together: Your Purpose in the Land Management

Prof Enrico Rispoli **FIG Honorary Member**: Commission: Chair 3 +, Working Group 3.3/8 (GIS for Sustainable Spatial Planning).....

Addressing the Global challenges

The Future We Must Build

- **Climate Compass Task Force:** the surveying profession's global response to tackling the climate agenda
- **FIG Foundation:** the FIG Foundation raises funds to secure a sustainable future by helping young surveyors

Fit for the Future: Building FIG

FIG YS Network: active in the present and for the future

CNGeGL championing young surveyors:

- Hundreds involved from around the world in its training schools,
- Facilitate to present well received papers at the FIG annual Working Weeks
- Generational innovation e.g Podcast Daniele Brancato and Cromwell Manaloto

BB-BENEFITS OF BEING A FIG MEMBER

Advancing the Surveying Profession Globally

Professional Development and Recognition

- Integration into the global community of surveyors working to enhance the profession's contribution to society, environment, and economy
- International recognition of your national profession, strengthening its standing within your country
- Access to comprehensive Continuing Professional Development (CPD) standards and self-evaluation frameworks
- Opportunities to participate in commission working groups that shape various aspects of surveying practice

AND Strategic input from You:

- **FIG Benefits**
- **FIG Fit for the Future Strategic Framework**
- **Partnership** working sister orgs, EGOS, CLGE, and MOU's e.g CASLE, IVSC

Global to Local to Global.....

4. Collective values:

- Collaboration
- Inclusion
- Relevance
- Legacy & Resilience

Collaboration and Inclusion

You and the Strength of Your Professional Federation (FIG) To advance the
global -to local - to global agenda

- To Innovate & Implement through core attributes:
 - Knowledge
 - Skills & Standards
 - Network
 - Resources
 - Reputation
- An approach founded in diversity and inclusion

Our Relevance

Tackling the Global Challenges

- Faced with the magnitude of change in our World, on our Planet:

We Are

- Relevant to society for Their/Society benefit
- Recognised as a profession that is Trusted, with high ethics and standards (must keep building our capacity)
- If **We** do the very best we can over the coming decades

Our professional relevance to society, is in our collective professional community & network

Legacy and Resilience: The Past informing the Future

“The more you know about the
past;
the better you are prepared for the
future”

(Theodore Roosevelt – 3rd from left on Mount Rushmore)

Celebrating in the year:

- **2028 FIG 150 Years, and**
- **2029 CNGeGL 100 years**

In closing: Our People - Vision to Action

FIG aim: to ***Position the Profession*** by giving visibility, and action at all levels to benefit society

Achieved by our **Champions:**

- Federation of FIG Members,
- You and Your contribution....

The Consiglio Nazionale Geometrie (CNGeGL)

Our Journey is far reaching!

Thank You
